

Bowling Green State University, Main Campus

Position: Assistant Teaching Professor - Human Services - Criminal Justice

Deadline: 04/11/2021, 11:59 pm Bowling Green, OH local time

Full details application processes available [here](#).

Description: Bowling Green State University is seeking applicants for a qualified rank (non-tenure track) position in Criminal Justice starting August 2021. The program offers a BS in Criminal Justice, including a specialization in forensic investigation, as well as an MS in Criminal Justice. Criminal Justice is in the Department of Human Services in the College of Health and Human Services. This position is reviewed annually for renewal. Responsibilities: include teaching at the undergraduate level (four courses per semester) and providing academic and career advising to students. Candidates are also expected to participate in recruitment and retention activities along with department, college, and university service. The Program seeks a Criminal Justice generalist who has the ability and willingness to teach a range of courses on topics that may include victimology, courts, policing, juvenile justice, corrections, investigations, and crime prevention.

Qualifications: A Master's degree in Criminal Justice or closely related field is required. Preference will be given to those holding a completed Doctorate in Criminal Justice or closely related field. A Juris Doctor (J.D.) degree alone does not serve as a qualification for this position. Preference will also be given to those applicants with prior University-level teaching experience, including teaching in online and hybrid formats.

To apply: For a complete job description and instructions on how to apply for this position visit: <https://bgsu.hiretouch.com/> or contact the Office of Human Resources, BGSU. Application deadline is April 11, 2021. Background check required for employment. BGSU is an AA/EEO/Vet employer. We encourage applications from women, minorities, veterans, and persons with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation.
